The HSNO Act 1996 and Regulations (including the ERMA Methodology) are available from Bennetts' Bookshop, Lambton Quay, Wellington
(Telephone +64 4 499 3433) www.bennetts.co.nz

Regular Publications

| | |
|-----------------------------------------------|--|
| • Bulletin (Monthly) (website only)..... | |
| • Perspective (Quarterly) (website only)..... | |
| • Te Putara (Quarterly)..... | |

Corporate Publications

| | |
|--------------------------------------------------------------------------------------|--|
| • A Guide to the Hazardous Substances and New Organisms Act..... | |
| • Annotated Methodology..... | |
| • Annual Report (for the year ending June 2008)..... | |
| • Copies of earlier Annual Reports available on website | |
| • Statement of Intent 2009/2010..... | |
| • Copies of earlier Statements of Intent available on website | |
| • Schedule of Fees & Charges – Effective 1 July 2006 (amended on 3 August 2006)..... | |

ERMA New Zealand Policy Series

| | |
|--------------------------------------------------------------------------------------------|--|
| • Policy on Consultation & Interaction under Part V of the HSNO Act 1996 (April 1999)..... | |
|--------------------------------------------------------------------------------------------|--|

Protocols

| | |
|--------------------------------------------------------------------------------------------------------------------------|--|
| • Decision Paths (May 2009)..... | |
| • Ethics Framework (December 2005)..... | |
| • Incorporating Maori Perspectives in Part V Decision Making (November 2004)..... | |
| • Information requirements for applications to import or manufacture a Hazardous Substance for release (March 2001)..... | |
| • Interpretations & Explanations of Key Concepts (May 2009)..... | |

Reports

| | |
|---------------------------------------------------------------------------------------------------------------------------|--|
| • Approach to Risk (2002)..... | |
| • Multiple Chemical Sensitivities (2002)..... | |
| • Potential Use of Economic Instruments under the HSNO Act (2004)..... | |
| • Report of Inquiry into the use of LPG Cylinders in Indoor Situations (2004)..... | |
| • Report of the Inquiry into the raid on genetically modified potato field trials in Lincoln (1999) (Hard copy only)..... | |
| • Report on Copper, Chromium and Arsenic (CCA) Treated Timber (2003)..... | |
| • Risk assessment of horizontal gene transfer from GM plants to bacteria and human cells (2006)..... | |
| • Use of Antibiotic Resistance Marker Genes in GMOs (2000)..... | |

Codes of Practice available from ERMA (each codes associated Information Sheet is listed and can be downloaded from our website: www.ermanz.govt.nz)

| | | |
|--------------------------------------------------------------------------------------------------------------|----|--|
| • Code of Practice for Approval of UL296 as a Standard for the Design of a Burner..... | 44 | |
| • Code of Practice for CRI and University Exempt Laboratories..... | 23 | |
| • Code of Practice for Disused Below Ground Stationary Tanks on Farms..... | 45 | |
| • Code of Practice for Fibre Reinforced Compressed Gas Cylinder to DOT-E 7235..... | 35 | |
| • Code of Practice for Filling of Below Ground Petrol Tanks by Pumping..... | 39 | |
| • Code of Practice for Management of Existing Stationary Container Systems up to 60,000 litres capacity..... | 38 | |
| • Code of Practice for Pipework Marking for Class 3.1 Flammable Liquid Fuels in Storage Depots..... | 46 | |
| • Code of Practice for Retail Fireworks: Design, Performance, Testing, Storage, Transport, Sale and Use..... | 47 | |
| • Code of Practice for School Exempt Laboratories..... | 40 | |

Compliance Guides

| | |
|-----------------------------------------------------------|--|
| • Chlorine Users..... | |
| • Controlled Substance Licence..... | |
| • Dry-Cleaners..... | |
| • Electroplaters..... | |
| • Importing and Retailing Graphic Materials | |
| • Managing Chemicals On Your Site..... | |
| • Scuba Cylinder Safety..... | |
| • Spirits & Fortified Wines..... | |
| • Test Certificates for Stationary Container Systems..... | |
| • Timber Treatment..... | |
| • Turf Management..... | |

Quick Guide Series (Nos 1-12, 20 phased out)

| | |
|---------------------------------------------------------------------------------|--|
| • No 13 – Applying for a Hazardous Substance Approval..... | |
| • No 14 – Enforcement and Compliance for New Organisms..... | |
| • No 15 – Test Certifiers..... | |
| • No 16 – Finding out about ERMA New Zealand..... | |
| • No 17 – Making Applications..... | |
| • No 18 – Applying for New Organism Approval..... | |
| • No 19 – Making a Submission..... | |
| • No 21 – Approved Handlers (Dangerous Goods & Scheduled Toxic Substances)..... | |

| | |
|-----------------------------------------------|--|
| • No 22 – Packaging..... | |
| • No 23 – Location Test Certificates..... | |
| • No 24 – Emergency Management..... | |
| • No 28 – Person in Charge..... | |
| • No 29 – Approved Handlers (Pesticides)..... | |
| • No 30 – Tracking..... | |
| • No 31 – Group Standards..... | |

Technical Guides

| | |
|----------------------------------------------------------------------------------------------------------|--|
| • Assessment of Economic Risks, Costs and Benefits: Consideration of impacts on the market economy..... | |
| • Assessment of Effects of Hazardous Substances and New Organisms on Human Health..... | |
| • Decision Making: A technical guide to Identifying, Assessing & Evaluating Risks, Costs & Benefits..... | |

User Guides

(each guides associated application form is listed and can be downloaded from our website: www.ermanz.govt.nz)

| | |
|---------------------------------------------------------------|--|
| • Applying for a Controlled Substance Licence..... | |
| • Becoming a Test Certifier..... | |
| • HSNO Control Regulations..... | |
| • HSNO Thresholds and Classifications..... | |
| • Making an Application for Hazardous Substance Approval..... | |
| • Working with Maori..... | |

Information Sheets (Nos 1, 5, 6, 9, 10, 15, 20, 21 & 34 phased out)

| | |
|----------------------------------------------------------------------------------------------------------------------------------|--|
| • No 08 – Exemptions from the provision of HSNO Act for small-scale research on Hazardous Substances..... | |
| • No 11 – Manufactured Articles..... | |
| • No 12 – Confidential Information..... | |
| • No 13 – Development and approval of HSNO Codes of Practice..... | |
| • No 14 – Determining the Status of Substance – Do I need to get an Approval?..... | |
| • No 16 – Substances that may be hazardous under HSNO: Guide for Importers & Customs Brokers..... | |
| • No 17 – The HSNO Act and Maori..... | |
| • No 18 – Special provisions for medicines and veterinary medicines..... | |
| • No 22 – Information Requirements for applications to release a new organism in a special emergency..... | |
| • No 23 – Meeting the ‘Exempt Laboratory’ Requirements of the HSNO Act in CRIs and Universities..... | |
| • No 24 – Signage for Premises Storing Hazardous Substances and Dangerous Goods..... | |
| • No 25 – NZS 8409:2004 Management of Agrichemicals..... | |
| • No 26 – Estimating the beneficial effects of biocontrol agents..... | |
| • No 27 – Safety Precautions for Fumigated Freight Containers..... | |
| • No 28 – Code of Practice for Thermoplastic Stationary Tanks..... | |
| • No 29 – Stationary Container and Secondary Containment Systems: Certification and Compliance Plans..... | |
| • No 30 – Code of Practice for Hazardous Substance Storage Compatibility..... | |
| • No 32 – Code of Practice for Explosive Approved Handlers..... | |
| • No 33 – Approved Handler requirements for pesticides..... | |
| • No 35 – Code of Practice for Fibre Reinforced Compressed Gas Cylinder Manufactured by Luxfer Gas Cylinders to DOT-E 7235..... | |
| • No 36 – Code of Practice for the Preparation of Safety Data Sheets..... | |
| • No 37 – Code of Practice on Product Labelling and Documentation Guide for Agricultural Compounds and Veterinary Medicines..... | |
| • No 38 – Code of Practice for the Management of Existing Stationary Container Systems up to 60,000 litres Capacity..... | |
| • No 39 – Code of Practice for the Filling of Below Ground Petrol Tanks by Pumping..... | |
| • No 40 – Code of Practice for School Exempt Laboratories..... | |
| • No 41 – Existing Below Ground, and New Above Ground Storage of Petrol on Farms..... | |
| • No 42 – Code of Practice for Fibreglass Stationary Tanks..... | |
| • No 43 – Code of Practice for Rotomoulded Tanks to contain Diesel..... | |
| • No 44 – Code of Practice for Approval of UL296 as a Standard for the Design of a Burner..... | |
| • No 45 – Code of Practice for Disused Below Ground Stationary Tanks on Farms..... | |
| • No 46 – Code of Practice for Pipework Marking for Class 3.1 Flammable Liquid Fuels in Storage Depots..... | |
| • No 47 – Code of Practice for Retail Fireworks..... | |
| • No 48 – From the Lab to the Marketplace: A Strategic Approach for Scientists making HSNO Applications..... | |
| • No 49 – Code of Practice for Gas Cylinders of Composite Construction Designed to ISO 11119-1 Part 1..... | |
| • No 50 – Code of Practice for Flammable Liquids Tank Wagons..... | |
| • No 51 – Code of Practice for Rotationally Moulded Polyethylene Tanks..... | |
| • No 52 – Code of Practice for the Management of Existing Stationary Container Systems at Timber Treatment Facilities..... | |
| • No 53 – Code of Practice for When is a Permission Required for a VTA?..... | |
| • No 54 – Code of Practice for Approved Handler Qualifications – Explosives Used for Land Blasting Operations..... | |
| • No 55 – Code of Practice for Management of Explosive Samples..... | |
| • No 56 – Code of Practice for Incompatible Hazardous Substances..... | |
| • No 57 – Code of Practice for Outdoor Pyrotechnic Displays..... | |
| • No 59 – Code of Practice for Pipework Under Pressure..... | |
| • No 60 – Code of Practice for Composite Gas Cylinders..... | |
| • No 61 – Code of Practice for Tanks with Integral Secondary Containment..... | |
| • No 62 – Flammable Gases and Oxygen Tank Wagons..... | |
| • No 63 – Code of Practice for the Control and Safe Use of Fumigants..... | |
| • No 64 – Code of Practice for MotorSport Fuel – Storage and Handling..... | |
| • No 65 – Code of Practice for Exempt Laboratories – Manufacturing Research and Development..... | |

Visual Resources

| | |
|--------------------------------------------------------------------|--|
| • Mātu Mōrearea; Hazardous Substances – A Māori Voice (DVD)..... | |
| • Mātu Mōrearea; Hazardous Substances – A Māori Voice (Video)..... | |
| • Do you have Banned Pesticides on your Farm? (Brochure)..... | |
| • Is that plant, animal or bug already here? (Brochure)..... | |

- Hazardous Substances and New Organisms (Poster)
- Kia Pumau te manaaki – Maori Awareness (Poster)
- Kia Pumau te manaaki – Maori Awareness (Brochure).....
- Nga Kaihoutu Tikanga Taiao (Brochure)

General

- Agrichemical Approved Handler Assessment Form 1 – Knowledge of the HSNO Act & Controls
- Agrichemical Approved Handler Assessment Form 2 – Knowledge of Agricultural Substances.....
- Agrichemical Approved Handler Assessment Form 3 – Assessment of Practical Competence
- Annual Report on the Aerial Use of 1080 for the year ended 31 December 2007
- Approved Practice Guide for Safe Above-Ground Fuel Storage on Farms
- Assigning a Hazardous Substance to a Group Standard
- Certification for Service Stations.....
- Certification for Retail Hardware Stores
- Communications Guideline for Aerial 1080 Operations
- Guide to the HSNO Act 1996 for Enforcement Agencies
- Guidance for Agrichemical Approved Handler Assessment Forms.....
- Guidance for Approved Handler Assessment Forms for Fumigation and Urban Pest Management
- Emergency Management Flipchart.....
- Fumigation and Urban Pest Management Approved Handler Assessment Form 1 – Knowledge of the HSNO Act & Controls.....
- Fumigation and Urban Pest Management Approved Handler Assessment Form 2 – Knowledge of hazardous substances
- Fumigation Approved Handler Assessment Form 3 – Assessment of Practical Competence
- Health & Safety in Farming (a.k.a Farmers Briefs).....
- Health & Safety in the Embalming Industry
- Health & Safety in the Surface Coating Industry
- IBSC – Requirements for delegation of power to conduct rapid assessments of applications for development in containment and importation into containment of low risk GMOs
- The Reassessment of 1080 – An Informal Guide.....
- Requirements on National Consultation with Maori under the HSNO Act.....
- Requirements for consultation with Maori on HSNO Applications that involve human cell lines and/or human DNA.....
- Resource Kete
- Urban Pest Management Approved Handler Assessment Form 3 – Assessment of Practical Competence
